

Local Swimmers To Face Olympic Gold Medalist

Olympic gold medalist Dana Vollmer—the 17-year-old North Texas sensation who was part of the record-setting U.S. 800 meter free relay team in Athens—will be among the competitors as Midway High School hosts its annual Winter Classic Swim meet Saturday morning at the Waco Family YMCA.

Vollmer has overcome a heart arrhythmia in her quest to become a world-class swimmer, but requires constant supervision when she is competing.

She's scheduled to compete in four events Saturday.

"We are all excited about Dana swimming in our meet," said Midway head coach Dan Marlin. "Our swimmers are looking forward to testing themselves against such a finely-tuned athlete."

Warm-ups begin at 8:15 a.m. Saturday. The first event, the 200-meter medley relay, begins at 10 a.m.
